07.00 to 11:00 hrs. (Belize time)

Journalists, Public Information Professionals

- 'Do you want to learn about digital tools and good practices that will enable you to protect your information and your sources while exercising freedom of expression on the Internet?'
- 'Do you want to enhance your capabilities in the areas of justice, crime prevention and security?'
- 'Do you want to gain an in-depth knowledge on emerging threats and how to report about them accurately?'
- 'What are the implications of fake news, misinformation and disinformation on media reporting?'

Experts from

- Association of Caribbean MediaWorkers (ACM)
- UN Information Centre
- University of the West Indies (UWI)
- UN Counter-Terrorism Executive Directorate (CTED)
- International Criminal Police Organization, INTERPOL
- Organized Crime and Corruption Reporting Project
- International Centre for Counter-Terrorism (ICCT)
- Global Initiative Against Transnational Organized Crime.

Course Information: In recent times, social media and technological changes have amplified the potential reach of misinformation and disinformation. 'The Journalism and Public Information Programme on New Threats during the COVID-19 Pandemic' course intends to promote reliable and responsible public information given the crucial role played by media in influencing policies and civil society development.
